WINERY/LEARNING FACILITY

come + learn to make wine

GROUP WINE MAKING SESSIONS.

FOUR DIFFERENT SESSIONS. 1crush 2press 3wine racking 4botteling + labeling

WINE LIBRARY

LEARN HOW TO TASTE + JUDGE WINE

every other weekend a group together initiates making 2 barrels of wine in a years time approx. 160 barrels of wine are produced during the peak sessions in the fall (for the Oregon grapes) and the spring (for Chilean and Argentinian grapes) people are invited to participate in a mass production of wine

250 barrels of wine are produced. In the entire operation there are approx. 650 barrels of wine being stored in this unique winery. Open weekdays to the public for the cafe, wine tasting, library use and self guided tours around the area.
